East Brunswick, NJ 08816

Dear Mrs. Kaplan,

I'm glad you are sending cards out announcing the reprinting of Sylvia's truly magnificent book. I'll keep the card on my desk as a reminder evern though I've been urging others to get it for some time now.

You may not be aware of it but not knowing that the rights had not reverted I urged the Gallens to arrange for its reprinting.

I hope you've had a chance to be in the new Hood library since it opened. I think it is really wonderful. And beautiful.

If you are there again and have a few minutes I hope we can day "hello" to each other. I'm only about 15 minutes away.

Best wishes,

Harold Weisberg
